Dear all,

We would like to announce our 10th CO-TALK, this time with the founder of SIC (Sustainability in Conservation) - Caitlin Southwick, in English.

These will be our last CO-TALK from this season; we will return to our studio in the beginning of June, and we need to prepare everything! We will return with different subjects, different guests - if you want to give us suggestions, please feel free to do it!

If you have any questions for them, please let us know in advance; the talks will be friday (22.05).

To register and receive the link for the talks, please send us an e-mail.

The 1st CO-TALKs are already available in our youtube channel, in the following link <https://www.youtube.com/channel/UChvrqILxGWZe6ucpetjIMtg>

Kind regards, and see you friday,
Marta Palmeira
