

Conservation Update (CU) is a biannual publication of the European Research Centre for Book and Paper Conservation – Restoration (ERC): <https://conservationupdate.com/>

ISSN 2663-0125

Conservation Update is listed in AATA Online - Abstracts of International Conservation Literature.

Conservation Update has got DOIs.

The CU Journal is an international, double-blind peer-reviewed journal. It is open access, free (no fees are requested), published only online, in English. The submission deadline for the spring volume is 1st of June and for the autumn volume 1st of January.

Aims and scope:

CU publishes papers on

- conservation,
- restoration and preservation of books and manuscripts,
- archival material and works of art on paper.

Other accepted topics:

- new insights into individual codices or writing schools,
- new findings about conservation history,
- survey results and
- new conservation methods and materials.

In addition, it can host proceedings from research projects and conservation events worldwide.

To submit the articles please send the required abstracts at

[Maria Dmitrieva, bioest.maria@gmail.com](mailto:bioest.maria@gmail.com)

or

[Pascual Ruiz Segura, Pascual.RuizSegura@nrscotland.gov.uk](mailto:Pascual.RuizSegura@nrscotland.gov.uk)
